

# DRAGONBREW

## WONDEROUS ITEM, VERY RARE

This small bottle contains a viscous orange/yellow liquid with streaks of light brown. The container has an iron spout fashioned after a small dragon. The mouth of the dragon has a small opening which a fog slowly and consistently seeps out. It smells different to everybody, but smell like candy to dragonborn and dragons.

**THE FLASK CONTAINS A SINGLE DOSE.**

**THE TOP ONLY OPENS IF HELD BY A DRAGONBORN OR TRUE DRAGON.**

Upon drinking the following effects occur:

If the drinker is a True Dragon, the dragon gains a instant wish (must be made on the spot, with no knowledge).

If the drinker is a Dragonborn, their breath weapon permanently gains 1d6 per 5 levels.

If the drinker is none of the above, they become fluent in Draconic.

Regardless of who drinks it, they gain resistance to all damage for 24 hours.
